News From the Desk of the Club Manager

Easter has come and gone and we are looking toward the horizon for summer to finally arrive. We have entertainment sponsored by Tom and Trisha Anderson on Friday, the 13th. The band, named Preston & Weston, is from Aiken, South Carolina. They are sure to bring down the house and give you a great time. If you have heard their music, you know they will play the best shag, beach, R&B and pop favorites you want to hear. Preview them at prestonandweston.com.

Our docks are beginning to see some action with the warmer weather. Slips can be reserved two weeks prior to the desired reservation date, no sooner. Each member can reserve two weekends in a calendar month, with exceptions made for empty slips after 5 PM on Fridays. Slips are reserved from 9:00 AM Friday to 9:00 AM Monday. Any other times all slips are a first come, first serve basis. Assignments are posted downstairs on the white board and at the bar. If you would like a slip and do not know if it is reserved please ask the bartender on duty.
