News From the Desk of the Club Manager

The long and warmer days of summer are rapidly approaching Edisto Beach. This month is packed with great club functions, including First Thursday Trivia, Mother's Day Brunch and Memorial Day Weekend. Save this important club newsletter and attend as many of our functions as you are able. Realize the value of your annual dues by using our club house and docks!

We have recently added some signage to our docks for your protection. The larger of our two docks' aluminum ramp was elevated eight inches to relieve the strain of king tides on the structure. Consequently, the ceiling may seem a little lower and the floor a little higher. Please watch your head. The docks are all in great shape and we welcome you to use them.

We have completed several spring clean-up and TLC issues around the clubhouse. Don McCormick is putting the finishing touches on minor painting of the building, and the grounds are ready for the summer growing season.

The Dataw Island Yacht Club and the Fripp Island Yacht Club would like to meet with us at the Morgan River Sandbar behind Morgan (Monkey) Island on June 23. We expect this to be a well-attended boat trip. Make arrangements ahead of time so we can make a strong showing with the two other yacht clubs.
